Subject: **Recommendation for Tigray Youth Empowerment Solutions (TYES) – EHF Partner Eligibility**

**Dear: Members of the EHF Review Committee,**

On behalf of Alias for civil societies organizations for Tigray (ACSOT) I am writing to strongly recommend Tigray Youth Empowerment Solutions (TYES) for eligibility as an implementing partner of the Ethiopia Humanitarian Fund (EHF). As ACSOT Chair, I have observed TYES's active and consistent participation in humanitarian emergency responses in Tigray region.

TYES has consistently contributed to ACSOT platforms, their field presence in underserved areas aligns directly with the EHF's prioritization criteria of reaching hard-to-reach populations. TYES has also demonstrated a strong commitment to accountability and safeguarding, maintaining the required Code of Conduct, Anti-Fraud, and PSEA policies.

Given its proven capacity, community acceptance, and commitment to humanitarian principles, I fully endorse TYES as a capable and reliable partner for EHF funding.

Sincerely,
