Subject: Recommendation for Tigray Youth Empowerment Solutions (TYES) for EHF Partner Eligibility

Dear Members of the EHF Review Committee,

On behalf of the Regional Nutrition Cluster Coordination, I am pleased to recommend Tigray Youth Empowerment Solutions (TYES) for eligibility as an implementing partner of the Ethiopia Humanitarian Fund (EHF).

TYES has actively and consistently participated in humanitarian emergency responses in the Tigray region and has demonstrated a strong reporting culture through ***Activity Info.***
Its field presence in underserved areas directly aligns with the EHF's prioritization criteria of reaching hard-to-reach populations. TYES has also shown a strong commitment to accountability and safeguarding, maintaining the required Code of Conduct, Anti-Fraud, and PSEA policies. Given its proven capacity, community acceptance, and commitment to humanitarian principles, I fully endorse TYES as a capable and reliable partner for EHF funding.

Sincerely,

Ermias Amare
Tigray Nutrition Cluster Coordinator
